Presentation Proposal Overview

Coordinated by the Metro Council and hosted by Cerner, this year's Mental Health KC Conference will take place in-person and with safety precautions in place. **PLEASE NOTE:** Cerner requires that all attendees, speakers, vendors and planning committee members be fully vaccinated (and present proof of vaccination) **OR** present a negative **COVID PCR** test result within 72 hours of the first day of the conference. Mental Health KC Conference will fully respect and abide by their policy. The purpose of this event is to offer community education and to create awareness about mental health in our community. In recent years, we have noticed a specific need for education surrounding wellness, mental health in the workplace and suicide awareness and prevention.

This conference will continue to be targeted toward anyone concerned about mental health and its impact on our community, including but not limited to human service field, community health leaders, practitioners, social workers, corporate employers and employees, non-profit organizations, C-suite, CFO's and CEO's, HR professionals, benefits managers, EAP professionals, workplace occupational health, safety, and wellness, industry leaders, benefits consultants, wellness specialists and health and social services providers. As efforts are increasing to educate our community, we are seeking professionals that are willing to contribute to this event by speaking on behavioral health.

This application serves to identify dynamic, knowledgeable speakers and topic facilitators for the 2022 conference. This conference seeks to offer a diverse track of speakers to lead breakout sessions that cover a wide range of topics around behavioral health. Attendees will receive current industry leading, best practice approaches to affect change in their life and in the lives of others. The conference will consist of Keynote Speakers and 18+ breakout sessions.
